About SuperJet International:

SuperJet International, based in Venice, Italy, a joint venture between Alenia Aeronautica (51%) and Sukhoi Holding (49%), is in charge of marketing, sales, customization and delivery of the Sukhoi Superjet 100 regional jet in Europe, the Americas, Oceania, Africa and Japan, as well as of worldwide post-sale support.

SuperJet International is also responsible for the design and development of VIP and cargo variants. A SuperJet International branch is already active in Moscow, together with sales offices in Toulouse, France and Washington, DC, USA.

The Sukhoi Superjet 100 aircraft:

Designed, developed and built by Sukhoi Civil Aircraft Company (SCAC), the Sukhoi Superjet 100 family is comprised of 78- and 98-seaters in basic (SSJ100/95B and SSJ100/75B) and long-range (SSJ100/95LR and SSJ100/75LR) configuration. The SSJ is the most advanced and environmentally friendly new generation regional jet. Superior technical and operational characteristics make Sukhoi Superjet 100 a fully marketable and competitive product – cost-effective, easy to operate and maintain. Sukhoi Superjet 100 is a conceptually new platform designed specifically for a 100-seat segment offering the most efficient combination of regional efficiency with mainline capabilities. The first flight SSJ100 was rolled out from SCAC's final assembly shop at Komsomolsk-on Amur on September 26, 2007. First flight was successfully accomplished last May 19, 2008.
